

DO BETTER BUSINESS

Sureswipe understands the passion, commitment and grit it takes to run a business, so we want to take away the hassles of worrying about card payments.

Chat to us about our various solutions, we have the most competitive rates and let's ensure we save your business time and money.

Since 2008, we have saved many retailers thousands of rands, ask us how?

As South Africa's largest independent card payment acceptance company, we raise the bar on customer experience to new heights. We make paying for goods and services safe and secure through our range of cost-competitive payment machines.

We provide dedicated 24/7 call centre support and across all the major business hubs

We have over 7000 loyal independent retailers and service providers using our services and over 12000 card machines operating across South Africa

Our on-call support crew provide dedicated service to the outlying areas across our regional network.

Our way of accepting card payments is fast, reliable and affordable.

SURESWIPE PAYMENT SOLUTIONS

We provide dedicated 24/7 call centre support and offer you personal service, because your business matters to us.

MPOS

Infrequent payments, pocket-sized for payments on the go, paired to your phone for connectivity

Portable Card POS

More frequent payments, has its own connectivity and printer, and all-day battery life: ideal for mobility around your store and fast payments (5 secs) for customers on the go

Integrated into POS

Fully integrated into your point of sale to reconcile easily with each sale. Avoid finger errors from manual capture and enjoy fastest transactions (2 to 5 secs) to significantly reduce in-store queues

Loyalty Programme

Tailored Loyalty programmes to increase revenue by retaining customers. In some cases, our Loyalty programmes have helped small businesses to increase revenue by 24% through repeat customers

Gift Cards

More than 80% of small business say that gift cards had a positive impact on their bottom line

Cash Advance

Boost your cash flow with easy-access finance solutions

Our products include card machines that provide your business with some of the best connectivity types to keep you swiping for longer with:

- ✓ Accept tap and go and NFC across all our products
- ✓ Dual Connectivity (and WIFI) machines available for ultimate in 'always connected' payment technology
- ✓ Settlement into your bank account within 24 hours (Nedbank) and within 48 hours for other banks
- ✓ For Integrated Payments: supports all leading POS Vendors (GAAP, Pilot, Vision, Legend etc) and many more!

Why choose Sureswipe as your Payments Service Provider?

- Since 2008, we have made it our life's mission to ensure your business is able to accept easy card payments.
- We can get your card machine installed in less than 4 days from contract approval*.
- Our online Clientzone portal makes it convenient for you to order paper rolls online, or review transactions and settlements in one easy place.
- We offer a 24/7 Call Centre support.

*Once correct documents are provided and contract is approved. Classic Plus with POS requires IT planning and usually takes 10 days to install.
